

The Face of
Commercial Real Estate
Insight Commercial Real Estate Brokerage, LLC

SPECIALTY: Insight Commercial Real Estate Brokerage, LLC is a full-service company specializing in the brokerage and management of all types of commercial real estate. Our brokerage firm has the experience and expertise to handle all facets of commercial and investment real estate. We offer individualized consultation and analysis on real estate investments for well-rounded portfolios. **AFFILIATIONS:** CCIM - Certified Commercial Investment Member and ICSC – International Council of Shopping Centers **HISTORY:** Insight was co-founded by Broker, Jason Wells in 2006, and has quickly grown in its success, with hard work, loyalty and knowledge of the area. **WHAT SETS YOU APART:** We are local experts who can assemble the team and the resources to provide you with everything you need to know about zoning, demographics, local and state government procedures and more. Being active in this market is critical to knowing the infrastructure of the cities and towns, who the players are, and the types of deals closed, which assists in your evaluation. Insight enables clients to market their properties for sale or lease with unparalleled exposure locally and nationally. Additionally, these services provide the same opportunities for clients searching for specific properties. **MOTTO:** “Committed To Your Commercial Real Estate Needs”
